

ICMEP 2021

The 10th International Conference on Manufacturing Engineering and Processes

Publication

Accepted and registered papers will be published in **Lecture Notes in Mechanical Engineering** as a proceedings book volume. Springer will conduct quality checks on the accepted papers and only papers that pass these checks will be published.

Indexed by **Scopus**, The volume will be submitted for indexing to **Web of Science**.

Topics

Casting and solidification
Coatings and surface engineering
Composite materials
Laser based manufacturing
Manufacturing process planning and scheduling
Materials behavior
Materials forming
Metrology and measurement
Modeling, analysis, and simulation of manufacturing processes
Nanofabrication, nanometrology and applications
Nanomaterials and nanomanufacturing
Nontraditional manufacturing
